Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport)

The area specified in the schedule to the Notification comprised in Forest Division, Nemmara and involved in O.A. 209/76 of Forest Tribunal, Palakkad was portion of the vested forest. The lands, on restoration, are likely to be cleared by felling all the available trees, which will adversely affect soil conservation and moisture retention in the area. Therefore, it has been decided to bring the area specified in the schedule under the purview of section 5 of Kerala Preservation of Trees Act, 1986, for the purpose of preserving trees and tree growth.

The notification is intended to achieve the above object.
