

News and video clippings available online

The Electronic Media wing of Information & Public Relations Department introduced news clipping system for giving online news and video clippings to medias.

The Department has been deputed stringers in all the 14 districts and New Delhi for news collection and coverage. The uploaded news and video clippings will be available to medias through this new clip mail system.

The news paper institutions, news channels, web medias will be benefitted by this system. For availing news and video clippings, applications should be submitted to “The Director, Information & Public Relations Department, Government Secretariat. User name and pass words will be allowed to the applicants and by using this, news and video clippings can be downloaded.
