As per the reference first cited, the Government introduced Electronic Ledger Account Monitoring System (e-LAMS) to prevent hasty and imprudent expenditure at the fag end of the financial year. The new system allows flexibility for the implementing officers to spend their budget provision for schemes already sanctioned during the fag end of a financial year within the first six months during the next financial year.

2. In the Government Order second cited, detailed instructions were issued on modalities for fund release through e-LAMS. So also operational guidelines for the new system were issued vide reference third cited.

3. The e-LAMS system has been successfully implemented during 2015-16 which resulted substantial reduction of State revenue deficit and enabled implementing officers to implement their schemes in an efficient manner to satisfy its objectives. All the guidelines issued so far will be applied during this year also. Apart from the above, the following additional guidelines are issued for strict compliance by all concerned.

(ii) The funds provided under SDG will be allowed to be transferred to e-LAMS only in exceptional circumstances based on convincing reasons.

(iii) All requests for transfer of funds to e-LAMS including sanction for implementing continuing schemes shall be accompanied with copies of original and subsequent administrative sanctions issued in this regard.

(vi) Under no circumstances the amount posted in the e-LAMS will be released after 30th September of the subsequent financial year.
